Certificate for Stockpond Water Right

CERTIFICATE NO.: 3219

PRIORITY OF RIGHT: October 11, 1978

Under the provisions of Article 2.5, Chapter 1 of Part 2 of Division 2 of the Water Code,

*Macready Ranch Inc.
P.O. Box 457
Hamilton City, CA 95951*

has filed a claim of water right for stockpond construction prior to January 1, 1969, and has applied to the State Water Resources Control Board (State Water Board) for evidence of such water right.

It appears from evidence provided by the claimant and from such other information as has been obtained by the State Water Board that the stockpond described herein has a capacity of 0.5 acre-feet on January 1, 1975; that the stockpond was constructed in 1965, that the stockpond is used primarily for stockwatering purposes; and that the stockpond was not involved in water rights litigation between private parties prior to January 1, 1974.

It therefore appears and the State Water Resources Control Board certifies that the above-named claimant has complied with the statute and has a water right within the meaning of Water Code Section 1226.1 with a priority of October 11, 1978, to collect and hold in storage 0.5 acre-feet of water for stockwatering, including domestic and recreational use which is incidental to stockwatering use, at the following location:

*On an Unnamed Stream tributary to Magoon Creek
being within the NE¼ of NE¼ of Section 7, T5S, R20E, MDB&M
in Mariposa County.*

The water right described herein is subject to other stockpond water rights on which certificates have been issued by the State Water Board with an earlier priority, to appropriative water rights with an earlier priority initiated prior to December 19, 1914, to water right permits or licenses issued prior to January 1, 1975, and to riparian rights.
